Website for members

Local 3758 has a website for members to stay informed and participate in online discussions. Information such as our current contract and meeting announcements can be accessed without a password. Members must register on the website to gain access to the online discussion boards, of which there are three: a forum for just Base Unit members, a forum for just Supervisors Unit members, and a shared forum accessible to members of both units. Your registration will determine which of the non-shared forums you may access. Take some time to run around the site and explore!

Members may set up how they choose to receive email alerts of new website content, but it's best to check the site frequently as some internet providers respond to notifications alerts as spam.

What's on the website?

- The latest news, forms, and official documents, such as the current contract
- Names and contact information for Local 3758 officers
- Links to valuable resources from the State of Washington, Council 2, and AFSCME.
- Links to Local 3758 on Facebook and Twitter. Photos posted on the Local's Flickr page
- The discussion forums (registration required).

How do I register for the online discussion boards?

1. Go to Local3758.org/forums and click on "Register" in the upper right corner.
2. Follow the instructions to read and agree to the forum rules.
3. Select a username and password, and click "Submit."
4. Within a few days, the forum moderator will send you an email confirming your registration.

If you have any problems with the website, or with registering, please contact the webmaster at zach@illuminatedcode.com.
